ITEM 1.01 Entry into a Material Definitive Agreement.

On March 28, 2014, Destination XL Group, Inc. (the “Company”) entered into three Equipment Security Notes (collectively, the “Notes”) for equipment financing, whereby the Company borrowed an aggregate of \$7.3 million. The Notes were issued pursuant to a Master Loan and Security Agreement with Banc of America Leasing & Capital, LLC, dated July 20, 2007 and most recently amended on September 30, 2013 (as amended, the “Master Agreement”).

The Notes are secured by a security interest in all of the Company’s rights, title and interest in and to certain equipment. The Notes are for 48 months. Two of the Notes, with aggregate borrowings of \$7.0 million, accrue interest at a fixed rate of 3.2072% and the third Note for \$0.3 million accrues interest at a fixed rate of 3.5%. Principal and interest, in arrears, are payable monthly. The Company is subject to a prepayment penalty equal to 1% of the prepaid principal of the Notes until the first anniversary, 0.5% of the prepaid principal from the first anniversary until the second anniversary and no prepayment penalty thereafter. The Master Agreement includes default provisions that are customary for financings of this type and are similar and no more restrictive than the Company’s existing credit facility with Bank of America, N.A.

The foregoing description of loan documents does not purport to summarize all of their respective provisions and is qualified in its entirety by reference to such agreements filed as Exhibit 10.1 through Exhibit 10.3 to this Current Report on Form 8-K, which are incorporated herein by reference.

ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As described above under Item 1.01, on March 28, 2014, the Company entered into three Notes pursuant to the Master Agreement. The disclosures contained in Item 1.01 of this Report on Form 8-K are incorporated herein by reference.

(“**Borrower**”). All capitalized terms used herein and not defined herein shall have the respective meanings assigned to such terms in the Master Agreement. Partial prepayments shall be applied against principal installments in their inverse order of maturity. A prepayment charge will not be due if this Equipment Note is refinanced with the Lender.
