USE OF PROXIES

This Proxy Statement and the enclosed form of proxy are being mailed to stockholders on or about July 8, 2005, in connection with the solicitation by the Board of Directors of Casual Male Retail Group, Inc. (the "Company") of proxies to be used at the Annual Meeting of Stockholders, to be held at the offices of Greenberg Traurig, LLP, 200 Park Avenue, MetLife Building, 15th Floor, New York, New York at 11:00 A.M., local time, on Monday, August 8, 2005 and at any and all adjournments thereof (the "Annual Meeting"). When proxies are returned properly executed, the shares represented will be voted in accordance with the stockholders' instructions.

However, if no instructions have been specified by a stockholder, the shares covered by an executed proxy will be voted (i) FOR the election of all eight nominees to serve as directors of the Company, (ii) FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm, and (iii) in the discretion of the proxies named in the proxy card with respect to any other matters properly brought before the Annual Meeting. The Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee are each comprised of directors who are "independent" under the rules of the Nasdaq National Market ("Nasdaq").

Nominating and Corporate Governance Committee

In April 2004, the Board of Directors redefined the committee as the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee has a written charter, which can be found under "Corporate Governance" on the Investor Relations page of the Company's website at

www.casualmale.com/investor. The Committee was established to perform functions related to governance of the Company, including, but not limited to, planning for the succession of the CEO and such other officers of the Company as the Committee shall determine from time to time, recommending to the Board of Directors individuals to stand for election as directors, overseeing and recommending the selection and composition of committees of the Board of Directors, and developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company. The present members of the Nominating and Corporate Governance Committee are Messrs. Choper and Bernikow, both of whom are “independent” under the rules of Nasdaq.

The Board’s current policy with regard to the consideration of director candidates recommended by stockholders is that the Nominating and Corporate Governance Committee will review and consider any director candidates who have been recommended by stockholders in compliance with the procedures established from time to time by the Committee (the current procedures are described below), and conduct inquiries it deems appropriate. The Nominating and Corporate Governance Committee will consider for nomination any such proposed director candidate who is deemed qualified by the Nominating and Corporate Governance Committee in light of the minimum qualifications and other criteria for Board membership approved by the Committee from time to time.

- The nominee should have a commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board and its committees.
- The nominee should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, governmental units, creditors and the general public, and to act in the interests of all stakeholders.
- The nominee should not have, nor appear to have, a conflict of interest that would impair the nominee’s ability to represent the interests of all the Company’s stockholders and to fulfill the responsibilities of a director.

The current procedures to be followed by stockholders in submitting recommendations for director candidates are as follows:

f. The consent of the proposed director candidate (i) to be named in the proxy statement relating to the Company's annual meeting of stockholders and (ii) to serve as a director if elected at such annual meeting.

g. Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

Except where the Corporation is legally required by contract or otherwise to provide third parties with the ability to nominate directors, the Nominating and Corporate Governance Committee is responsible for identifying and evaluating individuals, including nominees recommended by stockholders, believed to be qualified to become Board members and recommending to the Board the persons to be nominated by the Board for election as directors at any annual or special meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board. The Committee may solicit recommendations from any or all of the following sources: non-management directors, the CEO, other executive officers, third-party search firms or any other source it deems appropriate. The Committee will review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. The Committee will evaluate all such proposed director candidates in the same manner, with no regard to the source of the initial recommendation of such proposed director candidate. Accordingly, there are no differences in the manner in which the Nominating and Corporate Governance evaluates director nominees recommended by stockholders. In identifying and evaluating candidates for membership on the Board of Directors, the Committee will take into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the candidate would fill a present need on the Board of Directors.

Audit Committee

The Company has a separately-designated standing Audit Committee established in accordance with section 3(a)(58)(A) of the Exchange Act. The Audit Committee is currently comprised of Messrs. Choper, Bernikow and Pennacchio. Each of the members of the Audit Committee is independent, as independence for audit committee members is defined under the rules of Nasdaq. In addition, the Board of Directors has determined that Mr. Bernikow is an "audit committee financial expert" under the rules of the SEC.

The Audit Committee operates under a written charter adopted by the Board of Directors and the Audit Committee. This written charter was revised on May 9, 2005 to help ensure compliance with the Sarbanes-Oxley Act of 2002 and related rule changes by the SEC and Nasdaq. A copy of the current charter of the Audit Committee is included as *Appendix A* to this Proxy Statement.

The purpose of the Audit Committee is to (i) assist the Board of Directors in fulfilling its oversight responsibilities to the shareholders, potential shareholders and the investment community; (ii) oversee the audits of the financial statements of the Company and the Company's relationship with its independent registered public accounting firm; (iii) promote and further the integrity of the Company's financial statements and oversee the qualifications, independence and performance of the Company's independent registered public accounting firm (including being solely responsible for appointing, determining the scope of, evaluating and, when necessary, terminating the relationship with the independent registered public accounting firm); and (iv) provide

the Board of Directors, the independent registered public accounting firm and the internal auditors direct, unfiltered access to each other on a regular basis. The Audit Committee meets at least quarterly and as often as it deems necessary in order to perform its responsibilities. During fiscal 2004, the Audit Committee met seven times.

For additional information regarding the Audit Committee, see the "Report of the Audit Committee" included elsewhere in this Proxy Statement.

Compensation Committee

The Compensation Committee meets periodically to review executive and employee compensation and benefits (including stock-based compensation awards under the Company's 1992 Stock Incentive Plan), supervises benefit plans and makes recommendations regarding compensation, benefits and benefit plans to the Board of Directors. The Compensation Committee met six times during fiscal 2004. The present members of the Compensation Committee are Messrs. Pennacchio, Choper and Porter, each of whom is "independent" under the rules of Nasdaq.

Director Compensation

During fiscal 2004, non-employee directors of the Company were paid \$3,000 plus expenses for each meeting of the Board of Directors which they attended. During fiscal 2004, non-employee directors of the Company were also paid \$3,000 plus expenses for each committee meeting they attended. Non-employee directors received \$500 for certain telephonic board or committee meetings. In addition, the Chairman of the Audit Committee receives an additional \$10,000 on an annual basis for serving in such capacity.

During fiscal 2004, non-employee directors of the Company were also eligible to participate in the Company's 1992 Stock Incentive Plan, as amended (the "1992 Plan"). Pursuant to the 1992 Plan, each non-employee director of the Company is entitled to receive a stock option to purchase 15,000 shares of Common Stock upon such director's election and a stock option to purchase 15,000 shares of Common Stock upon such director's re-election. Such stock options were originally structured to become exercisable in three equal annual installments commencing with the date of grant. These options became fully vested on January 27, 2005 in connection with the Company's acceleration of all of its outstanding stock options. All options are granted with a term of ten years.

The 1992 Plan provides that non-employee directors of the Company may elect to receive all or a portion of their directors' fees, on a current or deferred basis, in shares of Common Stock that are free of any restrictions under the 1992 Plan. A director wishing to receive Common Stock in lieu of cash would enter into an irrevocable agreement with the Company in advance of the beginning of a calendar year. During fiscal 2004, all non-employee directors elected to receive their directors' fees in Common Stock.

In June 2004, Mr. Choper was asked to oversee and supervise, on behalf of the Board of Directors, an investigation into allegations pertaining to a discrimination charge that was filed against the Company in April 2004. The Company paid Mr. Choper \$4,500 in June 2004 for assuming this oversight responsibility on behalf of the Board of Directors.

At January 29, 2005, all of these options were exercisable.

Pension Plan

As part of the Casual Male acquisition, the Company assumed Casual Male Corp.'s obligations under its Pension Plan and its Supplemental Plan. The following table shows the aggregate annual benefits payable under both the Pension Plan and Supplemental Plan to persons in specified compensation and years of service classifications, based on a straight line annuity form of retirement income:

Average of Highest Five Years of Compensation	Representative Years of Service

* The maximum compensation that may be used as of December 31, 1998 to calculate benefits under the Pension and Supplemental Plans is \$267,326.

In December 1993, Casual Male Corp. established the Supplemental Plan to provide benefits attributable to compensation in excess of the qualified plan limit, which was \$160,000 but less than \$267,326. The benefits provided by the Pension Plan and the Supplemental Plan are equal to (i) the sum of 0.75% of the executive's highest consecutive five year average annual compensation plus 0.65% of the excess of the executive's highest consecutive five year average annual compensation over the average of the Social Security taxable wage bases, multiplied by (ii) the executive's years of "benefit service" with the Company (not to exceed 30 years). Effective February 1, 1995, compensation for such purposes was defined as all compensation reported on Form W-2

(excluding such items as bonus and stock options) up to a maximum of \$267,326 for the calendar year ended December 31, 1998. Annual benefits are payable under the Pension Plan for retirees at age 65, prior to the offset, if any, for benefits accrued under the retirement plan of Casual Male Corp. and for Social Security benefits.

On May 3, 1997, Casual Male Corp.'s board of directors voted to amend the Pension Plan to cease all benefits accruals under the Pension Plan as of that date. Effective December 31, 1998, the Casual Male Corp.'s board of directors voted to cease all benefit accruals under its Supplemental Plan.

As of January 29, 2005, Mr. Cornely was the only Named Executive Officer of the Company who was a participant in the Pension Plan and Supplemental Plan. As such, Mr. Cornely will be entitled to an accrued benefit under the Pension Plan upon turning 65 year of age of \$11,981.38 and a benefit of \$4,715.07 under the Supplemental Plan.

401(k) Plan

The Board of Directors of the Company may determine, from fiscal year to fiscal year, whether and to what extent the Company will contribute to the 401(k) Plan by matching contributions made to such plan by eligible employees. During fiscal 2004, the matching contribution by the Company continued to be 50% of contributions by eligible employees up to a maximum of six percent of salary.

Key Man Insurance

In fiscal 2000, the Company obtained a key man life insurance policy in the amount of \$2,000,000 on the life of Mr. Levin. In fiscal 2001, the Company obtained a key man life insurance policy in the amount of \$2,000,000 on the life of Mr. Hernreich.

Employment Agreements

The Company has employment agreements, which were most recently amended effective June 29, 2004 (collectively, the "Employment Agreements"), with David A. Levin and Dennis R. Hernreich. The Employment Agreements are for three-year terms, and automatically renew on each anniversary of the agreement's commencement date for additional one-year periods, unless ninety-day notice by either party is otherwise given. The initial three-year term of Mr. Levin's Employment Agreement was from April 10, 2000 until April 10, 2003. On each anniversary of the agreement's commencement date, the term was extended for a one-year period. Accordingly, as of April 10, 2005, the most recent anniversary of Mr. Levin's agreement's commencement date, Mr. Levin's employment with the Company was extended for an additional one-year period thereby extending the agreement to April 10, 2008. The initial three-year term of Mr. Hernreich's Employment Agreement was from September 4, 2000 until September 4, 2003. On each anniversary of the agreement's commencement date, the term was extended for a one-year period. Accordingly, as of September 4, 2004, the most recent anniversary of Mr. Hernreich's agreement's commencement date, Mr. Hernreich's Employment Agreement with the Company was extended for an additional one-year period thereby extending the agreement to September 4, 2007.

These Employment Agreements require each executive officer to devote substantially all of the executive officer's time and attention to the business of the Company as necessary to fulfill his respective duties. The Employment Agreements, as amended, provide that Messrs. Levin and Hernreich would be paid base salaries at annual rates of \$575,000 and \$440,000, respectively. Effective May 9, 2005, Mr. Levin's and Mr. Hernreich's salaries were increased to \$600,000 and \$460,000, respectively. The Employment Agreements provide that the annual rate of base salary for the renewal term may be increased by the Compensation Committee of the Board of Directors in its sole discretion.

The Employment Agreements also provide for the payment of bonuses in such amounts as may be determined by the Compensation Committee. While Messrs. Levin and Herrnreich are employed by the Company, the Company will provide each executive an automobile allowance in the amount of \$800 and \$700 per month, respectively. Each executive is entitled to vacation and to participate in and receive any other benefits customarily provided by the Company to its senior executives (including any bonus, retirement, short and long-term disability insurance, major medical insurance and group life insurance plans in accordance with the terms of such plans), including stock option plans, all as determined from time to time by the Compensation Committee.

Mr. Levin is entitled to receive an annual bonus of up to 50% and Mr. Herrnreich is entitled to receive an annual bonus of up to 45% of their respective annual base salaries depending on the performance of the Company. The Compensation Committee of the Board of Directors shall determine, in its sole discretion, the amount of bonus to be paid to the executive officers. Mr. Levin is entitled to receive an additional annual bonus of 10% of his annual salary base if the Company meets its annual projections for its fiscal budget plan, as approved by the Board of Directors. In July 2003, the Compensation Committee approved a \$125,000 bonus for Mr. Levin and a \$93,750 bonus for Mr. Herrnreich, of which 50% became payable immediately. The remaining 50% was contingent upon the Company's Casual Male business achieving certain performance targets for the fourth quarter of fiscal 2003. The Company did achieve such performance targets and, accordingly, Mr. Levin and Mr. Herrnreich received the remaining 50% portion of their respective bonuses on March 4, 2004.

On May 9, 2005, the Company granted to Messrs. Levin and Herrnreich options to purchase 200,000 and 160,000 shares of the Company's Common Stock, respectively. These stock options have an exercise price of \$6.90 per share and will vest ratably over a three year period, with the first one-third vesting on May 9, 2006. The option agreements require that the aggregate exercise price be paid by forfeiting a number of shares of Common Stock underlying the option with a fair market value equal to such aggregate exercise price.

The Employment Agreements provide that in the event the executive officer's employment is terminated by the Company at any time for any reason other than "justifiable cause" (as defined in the Employment Agreements), disability or death, the Company is required to pay the executive officer the greater of (1) the base salary for the remaining term of the related Employment Agreement or (2) an amount equal to one half of the executive officer's annual salary. If the remaining term of the related Employment Agreement on the date of termination is more than six months, the executive officer must make a good faith effort to find new employment and mitigate damages, costs and expenses to the Company. The Employment Agreements also provide that if the executive is terminated without justifiable cause within one year after a Change of Control of the Company (as defined below) has occurred, the executive officer shall receive a lump sum payment in an amount equal to the greater of (1) the base salary for the remaining term of the related Employment Agreement or (2) the current base salary for one year.

The Employment Agreements contain confidentiality provisions pursuant to which each executive officer agrees not to disclose confidential information regarding the Company. The Employment Agreements also contain covenants pursuant to which each executive officer agrees, during the term of his employment and for a one-year period following the termination of his employment, not to have any connection with any business which competes with the business of the Company.

For purposes of the Employment Agreements, a "Change in Control of the Company" shall mean (i) any sale of all or substantially all of the assets of the Company to any person or group of related persons within the meaning of Section 13(d) of the Exchange Act ("Group"), (ii) any acquisition by any person or Group of shares of capital stock of the Company representing more than 50% of the aggregate voting power of the outstanding capital stock of the Company entitled under ordinary circumstances to elect the directors of the Company ("Voting Stock") or (iii) any replacement of a majority of the Board of Directors of the Company over the twelve-month period following the acquisition of shares of the capital stock of the Company representing more than 10% of the Voting Stock by any person or Group which does not currently own more than 10% of such Voting Stock (unless such replacement shall have been approved by the vote of the majority of the directors then in office who either were

members of the Board of Directors at the beginning of such twelve-month period or whose elections as directors were previously so approved).

The Company also has employment agreements with Mr. Cornely, Ms. Carlo and Mr. Sockolov.

When the Company acquired the Casual Male business in May 2002, the Company agreed to abide by the terms of Mr. Cornely's Severance Compensation Agreement, which was entered into with Casual Male Corp. Pursuant to the terms of this Severance Compensation Agreement, in the event that Mr. Cornely's employment with the Company is terminated for reasons defined in the agreement, the Company will pay to Mr. Cornely a severance payment of up to 14 months of his annual salary. The amount actually paid would be dependent on the reason for termination, decreased by the amount earned as the result of any subsequent employment obtained during the severance period.

The Company's employment agreement with Ms. Carlo, which was most recently amended on June 29, 2004, is for a two-year term beginning on August 4, 2004. Pursuant to that agreement, Ms. Carlo receives an annual salary of \$303,000 and is entitled to participate in the Company's bonus program at a bonus incentive rate of 40% of her annual base salary, depending on the performance of the Company and at the sole discretion of the Compensation Committee. Ms. Carlo receives an automobile allowance in the amount of \$600 per month and is entitled to vacation and to participate in and receive any other benefits customarily provided by the Company to its senior executives.

On October 29, 2004, the Company entered into an employment agreement with Mr. Sockolov. Under the terms of that employment agreement, which will terminate January 31, 2008, Mr. Sockolov will serve as the Chief Executive Officer of the Company's Rochester division. The Company will pay Mr. Sockolov an annual base salary of \$250,000, subject to annual increases as determined by the Board of Directors or a committee thereof. Mr. Sockolov will receive an automobile allowance of \$700 per month and is entitled to six weeks of vacation and other benefits customarily provided by the Company to its senior executives. Pursuant to the employment agreement, Mr. Sockolov received an option to purchase 100,000 shares of the Company's Common Stock at an exercise price of \$5.03 per share, the closing price of the Company's Common Stock on October 29, 2004. This option became fully vested on January 27, 2005 in connection with the Company's acceleration of all of its outstanding stock options.

The employment agreement provides that in the event Mr. Sockolov's employment is terminated by the Company for any reason other than "cause" (as defined in the agreement) or death, Mr. Sockolov will be entitled to receive his full compensation and benefits under the employment agreement through January 31, 2008.

Mr. Holtzman also has an employment agreement with the Company with respect to his position as an executive officer of the Company. The salary, bonuses and stock options that he has received over the past three years in his capacity as an executive officer are described under "Chairman Compensation" above. The other terms of his employment agreement are substantially similar to those of the Employment Agreements described above.

Certain Relationships and Related Transactions

Jewelcor Management, Inc.

Since October 1999, the Company has had an ongoing consulting agreement with Jewelcor Management, Inc. ("JMI") to assist in developing and implementing a strategic plan for the Company and for other related consulting services as may be agreed upon between JMI and the Company. Seymour Holtzman, who became the Company's Chairman of the Board on April 11, 2000, is the beneficial holder of approximately 15.86% of the outstanding Common Stock of the Company (principally held by JMI). He is also the president and chief executive officer, and indirectly, with his wife, the primary shareholder of JMI.

On June 15, 2005, the Compensation Committee of the Board of Directors approved an increase in the annual compensation to JMI pursuant to the consulting agreement, effective May 9, 2005, to \$412,000 from \$392,000. The consulting agreement dated April 29, 2003, and most recently amended on June 15, 2005, is for a three-year term commencing on April 29, 2003 and ending on April 28, 2006. The consulting agreement will automatically renew each year thereafter on its anniversary date for additional one-year terms, unless either party notifies the other at least ninety days prior to such anniversary date that it will not renew such agreement. The consulting agreement with JMI includes a significant disincentive for non-performance, which would require JMI to pay to the Company a penalty equal to 150% of any unearned consulting services.

On May 9, 2005, the Company granted to JMI an option to purchase 160,000 shares of the Company's Common Stock. This stock option has an exercise price of \$6.90 per share and will vest ratably over a three-year period, with the first one-third vesting on May 9, 2006. The option agreement requires that the aggregate exercise price be paid by forfeiting a number of shares of Common Stock underlying the option with a fair market value equal to such aggregate exercise price.

Compensation Committee Interlocks and Insider Participation

For fiscal 2004, the members of the Compensation Committee were Messrs. Pennacchio, Choper and Porter. Persons serving on the Compensation Committee had no relationships with the Company in fiscal 2004 other than their relationship to the Company as directors entitled to the receipt of standard compensation as directors and members of certain committees of the Board and their relationship to the Company as beneficial owners of shares of Common Stock and options exercisable for shares of Common Stock. No person serving on the Compensation Committee or on the Board of Directors is an executive officer of another entity for which an executive officer of the Company serves on such entity's board of directors or compensation committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires the Company's executive officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities (collectively, the "Reporting Persons"), to file reports of ownership and changes in ownership with the SEC. The Reporting Persons are required to furnish the Company with copies of all Section 16(a) reports they file. Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company during fiscal 2004, the Company believes that the current Reporting Persons complied with all applicable Section 16(a) reporting requirements and that all required reports were filed in a timely manner, with the exception of the following filings:

Ms. Carlo filed a Form 4 late with respect to the acquisition in November 2004 of 2,000 shares of the Company's Common Stock. Mr. Husic filed late Form 4's in September 2004 and July 2004 modifying his indirect ownership of the Company's Common Stock. Messrs. Choper, Pennacchio and Porter each filed a late Form 4 for stock compensation received for a compensation committee meeting held in July 2004.

COMPENSATION COMMITTEE REPORT

Decisions concerning the compensation of the Company's executive officers generally are made by the Compensation Committee of the Board of Directors. The Compensation Committee currently consists of three members, Joseph Pennacchio, Jesse Choper and George Porter, each of whom is independent under the rules of Nasdaq. This Compensation Committee Report summarizes the Company's executive officer compensation practices and policies for fiscal year 2004, as well as compensation changes for fiscal 2005.

Compensation Policies

The Company's compensation policies are designed to link executive officer compensation to the annual and long-term performance of the Company and to provide industry-competitive compensation for such officers. The Company's executive officer compensation consists of two key components: (1) an annual component, consisting of annual base salary and annual incentive bonus, if any, and (2) a long-term component consisting of the grant of stock options, performance share awards or other similar equity instruments.

The policies with respect to each of these elements, as well as the bases for determining the compensation of the Company's executives, are described below.

(1) Annual Component: Base Salary and Annual Incentive Bonus

The Compensation Committee reviews all base salaries for executive officers and establishes them by reviewing the performance of each executive officer, evaluating the responsibilities of each executive officer's position and comparing the executive officers' salaries with salaries of executive officers of other companies in the specialty retail apparel industry (the "Industry"). The Compensation Committee defines the Industry as public companies in the specialty retail apparel business with similar sales and market capitalization. Annual base salary adjustments are influenced by the Company's performance in the previous fiscal year and the individual's contribution to that performance, the individual's performance, which is measured by various factors including, but not limited to, the number of departments and employees for which the executive officer is responsible, promotions of the individual that may have occurred during the fiscal year, and any increases in the individual's level of responsibility.

(2) Long-Term Component: Stock-Based Awards

To align executive officers' interests more closely with the interests of the stockholders of the Company, the Company's long-term compensation program emphasizes the grant of stock options, and more recently, performance share awards. The amount of such awards is determined one or more times in each fiscal year by the Compensation Committee. Stock-based awards normally are granted to executive officers in amounts based largely upon the size of stock-based awards for comparable positions, the Company's financial and operational performance, as well as the availability of shares of Common Stock under the 1992 Stock Incentive Plan. The Compensation Committee may take into account other factors in determining the size of stock-based awards, including, but not limited to, special accomplishments during the preceding year and the need to attract and retain individuals the Compensation Committee perceives to be valuable to the Company.

Discussion of 2004 Compensation for the Chief Executive Officer

Since the acquisition of Casual Male in fiscal 2002, the Company has been working on a three-year strategic plan to grow its Casual Male business, improve its infrastructure and re-establish the Casual Male brand within the marketplace. In determining Mr. Levin's compensation for 2004, the Compensation Committee considered not only the Company's financial performance but also the progress the Company has achieved toward its strategic plan. During fiscal 2004, several accomplishments factored into Mr. Levin's overall compensation for fiscal 2004, including, but not limited to, improved financial results, the acquisition of Rochester Big & Tall Clothing

and the completion of the Company's divestiture of its other non-core businesses. In addition, the Company also considered other qualitative factors, such as enhancement of shareholder value, expanding the Company's exposure in the investment community and the overall strength of the Company and its employees. The Committee also considered salary information for chief executive officers of other apparel retailers of similar size and direction that the Committee believes is comparable.

For fiscal 2004, Mr. Levin received a base salary of \$575,000. For fiscal 2004, the Compensation Committee established an incentive bonus plan which was based on the Company achieving certain thresholds. Under the bonus plan, if the Company was able to meet certain performance thresholds, Mr. Levin would receive an incentive bonus of up to 100% of his salary, depending on the Company's performance and levels achieved. Based on fiscal 2004 actual results, no bonus was paid for fiscal 2004.

The Committee believes Mr. Levin's compensation is commensurate with the overall financial and strategic performance of the Company.

Fiscal 2005 Compensation Changes

Effective May 9, 2005, the Compensation Committee increased the annual base salaries of Mr. Levin and Mr. Hernreich to \$600,000 and \$460,000, respectively. On May 9, 2005, Messrs. Levin and Hernreich also were granted options to purchase 200,000 and 160,000 shares of the Company's Common Stock, respectively. These stock options have an exercise price of \$6.90 per share and will vest ratably over a three-year period, with the first one-third vesting on May 9, 2006. The option agreements require that the aggregate exercise price be paid by forfeiting a number of shares of Common Stock underlying the option with a fair market value equal to such aggregate exercise price. Messrs. Levin and Hernreich are also participants in the Company's 2005 Executive Incentive Plan pursuant to which each executive is eligible to receive a cash bonus, based on a percentage of each participant's annual salary, if certain performance targets are achieved in fiscal 2005.

In addition to the foregoing, executive officers receive benefits under certain group health, long-term disability and life insurance plans, which are generally available to the Company's eligible employees. After one year of service with the Company, the executive officers are eligible to participate in the 401(k) Plan. Benefits under these plans are not tied to corporate performance.

The SEC requires that this Compensation Committee Report comment upon the Compensation Committee's policy with respect to Section 162(m) of the Internal Revenue Code, which limits the Company's tax deduction with regard to compensation in excess of \$1 million paid to the chief executive officer and the four most highly compensated executive officers (other than the chief executive officer) at the end of any fiscal year unless the compensation qualifies as "performance-based compensation." The Compensation Committee's policy with respect to Section 162(m) is to make every reasonable effort to cause compensation to be deductible by the Company while simultaneously providing executive officers of the Company with appropriate rewards for their performance.

PERFORMANCE GRAPH

The following Performance Graph compares the Company's cumulative stockholder return with that of a broad market index (Standard & Poor's Industrials Index) and one published industry index (Standard & Poor's 500—Composite Retail Index) for each of the most recent five years ended January 31. The cumulative stockholder return for shares of the Company's Common Stock ("CMRG") and each of the indices is calculated assuming that \$100 was invested on January 31, 2000. The Company paid no cash dividends during the periods shown. The performance of the indices is shown on a total return (dividends reinvested) basis. The graph lines merely connect January 31 of each year and do not reflect fluctuations between those dates. In addition there is a chart of the annual percentage return of the Company's Common Stock, the S & P Industrial and Composite Retail 500.

Pre-Approval of Services by Independent Registered Public Accounting Firm

The Audit Committee has adopted a policy governing the provision of audit and non-audit services by the Company's independent registered public accounting firm. Pursuant to this policy, the Audit Committee will

consider annually and, if appropriate, approve the provision of audit services (including audit review and attest services) by its independent registered public accounting firm and consider and, if appropriate, pre-approve the provision of certain defined permitted non-audit services within a specified dollar limit. It will also consider on a case-by-case basis and, if appropriate, approve specific engagements that do not fit within the definition of pre-approved services or established fee limits.

The policy provides that any proposed engagement that does not fit within the definition of a pre-approved service or is not within the fee limits must be presented to the Audit Committee for consideration at its next regular meeting or to the Chairman of the Audit Committee in time sensitive cases. The Audit Committee will regularly review summary reports detailing all services (and related fees and expenses) being provided to the Company by the independent registered public accounting firm.

All of the services provided under Audit-Related Fees, Tax Fees and All Other Fees were approved by the Audit Committee.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

The Audit Committee and the Board of Directors unanimously recommend that you vote FOR the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed and discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements for the fiscal year ended January 29, 2005 with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (*Communication with Audit Committees*). In addition, the Committee has discussed with Ernst & Young LLP the firm's independence from Company management and the Company, including the matters in the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered the compatibility of non-audit services with Ernst & Young LLP's independence.

The Audit Committee discussed with Ernst & Young LLP the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls (including internal control over financial reporting) and the overall quality of the Company's financial reporting. The Audit Committee held 7 meetings during the fiscal year ended January 29, 2005.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended January 29, 2005 for filing with the SEC. The Committee and the Board also have recommended, subject to shareholder approval, the selection of the Company's independent registered public accounting firm.

The Audit Committee is governed by a charter, which was most recently amended May 9, 2005. (see *Appendix A* for a copy of the current Audit Committee charter). The members of the Audit Committee are considered independent because they satisfy the independence requirements for Board members prescribed by the Nasdaq listing standards and Rule 10A-3 of the Exchange Act.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Any such communication must state the number of shares beneficially owned by the stockholder sending the communication. The Secretary will forward such communication to all of the members of the Board of Directors or to any individual director or directors to whom the communication is directed; provided, however, that if the communication is unduly hostile, profane, threatening, illegal or otherwise inappropriate, then the Secretary has the authority to discard the communication or take appropriate legal action in response to the communication.

AUDIT COMMITTEE CHARTER

A. Purpose

The purpose of the Audit Committee (the "Committee") is to:

- assist the Board of Directors in fulfilling its oversight responsibilities to the shareholders, potential shareholders and the investment community;
- oversee the Casual Male Retail Group, Inc. (the "Company") audit and its relationship with its independent auditors;
- promote and further the integrity of the Company's financial statements and the independence and performance of the Company's external independent auditor; and
- provide the Board of Directors (the "Board"), the independent auditors and the internal auditors direct, unfiltered access to each other on a regular basis.

B. Composition

1. *Number.* The Committee shall consist of at least three members of the Board.

2. *Independence.* Except as otherwise permitted by the Sarbanes-Oxley Act of 2002 (the "Act") and the rules of Securities and Exchange Commission (the "SEC") and The Nasdaq Stock Market ("Nasdaq"), each member of the Committee shall be "independent" as defined by such Act and rules.

3. *Financial Literacy.* Each member of the Committee shall be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement at the time of his or her appointment to the Committee. To the extent required by the Act and the rules of the SEC and Nasdaq, at least one member of the Committee shall be a "audit committee financial expert" as defined by the Act and SEC rules and have the level of enhanced financial literacy required by Nasdaq rules. All members of the Committee shall participate in continuing education programs as set forth in the rules developed by the Nasdaq Listing and Hearings Review Council.

4. *Chair.* The Board shall designate one member of the Committee to be Chairperson of the Committee.

5. *Compensation.* The compensation of Committee members shall be as determined by the Board. No member of the Committee may receive any compensation from the Company other than for services as a director.

6. *Selection and Removal.* Members of the Committee shall be appointed by the Board. The Board may remove members of the Committee from such committee, with or without cause.

C. Authority and Responsibilities

General

The Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the independent auditor, in accordance with its business judgment. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Committee to

plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's report. The independent auditors are responsible for auditing the Company's financial statements and internal control over financial reporting, and for reviewing the Company's unaudited interim financial statements.

Oversight of Independent Auditors

1. *Selection.* The Committee shall be solely and directly responsible for appointing, determining the scope of, evaluating and, when necessary, terminating the relationship with the independent auditor. The Committee shall decide, in accordance with the Act and SEC rules, the extent to which independent public accountants other than the principal auditor are to be used and understand the rationale for using them. The Committee shall direct the principal auditor and secondary accountants to coordinate their work and shall direct the principal auditor to perform an appropriate review of the secondary accountants' work. The Committee may, in its discretion, seek stockholder ratification of any independent auditor it appoints.

2. *Independence.* The Committee shall take appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the Committee shall periodically obtain and review a formal written statement from the independent auditor describing all relationships between the independent auditor and the Company, including the disclosures required by Independence Standards Board, Standard No. 1. The Committee shall actively engage in dialogue with the independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.

3. *Compensation.* The Committee shall have sole and direct responsibility for setting the compensation of the independent auditor. The Committee is empowered, without further action by the Board, to cause the Company to pay the compensation of the independent auditor as established by the Committee.

4. *Pre-Approval and Disclosure of Services.* The Committee shall pre-approve all audit services and permitted non-audit services (other than de minimis permitted non-audit services as defined and permitted by the Act and SEC rules) in accordance with the Company's Audit and Non-Audit Services Pre-Approval Policy. The Committee shall cause the Company to disclose in its periodic SEC reports the approval by the Committee of any non-audit services to be performed by the independent auditor. The Committee shall further cause the Company to disclose the Company's Audit and Non-Audit Services Pre-Approval Policy in the Company's annual report and proxy statement, and, to the extent required by the Act and the rules of the SEC and Nasdaq, the Audit fees, Audited-Related fees, Tax fees and All Other fees, as defined by the SEC, paid to the Company's independent auditor in the annual report or proxy statement.

5. *Oversight.* The independent auditor shall report directly to the Committee and the Committee shall have sole and direct responsibility for overseeing the independent auditor for purposes of all work it performs for the Company, including resolution of disagreements between Company management and the independent auditor regarding financial reporting. In connection with its oversight role, the Committee shall from time to time, as appropriate, obtain and review the reports required to be made by the independent auditor pursuant to the Act or otherwise regarding:

- critical accounting policies and practices;
- alternative treatments of financial information within generally accepted accounting principles that have been discussed with Company management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and
- other material written communications between the independent auditor and Company management, such as any "management letter" or schedule of "unadjusted differences."

The Committee shall authorize appropriate changes to be made pursuant to its review and report such changes to the Board.

Review of Audited Financial Statements

- *Discussion of Audited Financial Statements.* The Committee shall review and discuss with the Company's management and independent auditor the Company's audited financial statements, including the matters about which Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU §380) requires discussion and the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.
- *Recommendation to Board Regarding Financial Statements.* The Committee shall consider whether it will recommend to the Board that the Company's audited financial statements be included in the Company's Annual Report and any other report to the SEC or stockholders.
- *Committee Report.* The Committee shall review all proxy statements and prepare the report described in Item 306 of Regulation S-K for inclusion where necessary in a proxy statement of the Company relating to an annual meeting of security holders at which directors are to be elected (or special meeting or written consents in lieu of such meeting).

Review of Other Financial Disclosures

Independent Auditor Review of Interim Financial Statements. The Committee shall direct the independent auditor to use its best efforts to perform all reviews of interim financial information prior to disclosure by the Company of such information and to discuss promptly with the Committee and the Chief Financial Officer any matters identified in connection with the auditor's review of interim financial information which are required to be discussed by Statement on Auditing Standards Nos. 61, 71 and 90. The committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The Committee shall direct management to advise the Committee in the event that the Company proposes to disclose interim financial information prior to completion of the independent auditor's review of interim financial information. In any event, the Committee shall review the consistency and adequacy of all interim financial disclosures prior to any public disclosure.

Additional Review

Following completion of any audit or review of financial statements and prior to any public disclosure, the Committee shall review earnings releases, unusual transactions and accounting estimates, post-audit or post-review matters such as any differences between the planned and actual scope of the audit or review and recent and prospective opinions of the Accounting Principles Board and their impact upon the Company's accounting and financial statements.

Controls

1. *Oversight.* The Committee shall coordinate the Company's policy, oversight and review of internal control over financial reporting, disclosure controls and procedures and management information systems. The Committee shall conduct an annual review of the adequacy of such controls and the staff that implements them and shall direct the Vice President, Internal Auditing, or persons performing similar functions, to take action as the Committee deems prudent. The Committee shall receive and review the reports of management, the certifications of the CEO and CFO and the independent auditor's attestation under the Act and SEC rules. The Committee shall discuss with management, the internal auditors (or persons performing similar functions), and

the independent auditors the adequacy and effectiveness of internal control over financial reporting, including any significant deficiencies or material weaknesses identified by management of the Company in connection with its required quarterly certifications under Section 302 of the Sarbanes-Oxley Act. In addition, the Committee shall discuss with management, the internal auditors (or persons performing similar functions), and the independent auditors any significant changes in internal control over financial reporting that are disclosed, or considered for disclosures, in the Company's periodic filings with the SEC.

2. *Procedures for Complaints.* The Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

3. *Investigations.* The Committee shall have the authority to conduct or authorize special audits and investigations into any matters within the scope of its responsibilities as it shall deem appropriate, including the authority to request any officer, employee or advisor of the Company to meet with the Committee or any advisors engaged by the Committee.

4. *Related-Party Transactions.* To the extent required by the Act and the rules of the SEC and Nasdaq, the Committee shall review all related party transactions on an ongoing basis and all such transactions must be approved by the Committee.

Additional Authorities and Responsibilities

1. *Independent Advisors.* The Committee shall have the authority to engage and determine funding for such independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. Such independent advisors may be the regular advisors to the Company. The Committee is empowered, without further action by the Board, to cause the Company to pay the compensation of such advisors as established by the Committee.

2. *Additional Authority.* The Committee shall have such other authority and responsibilities as may be delegated from time to time by the Board.

D. Procedures and Administration

1. *Meetings.* The Committee shall meet at least quarterly and as often as it deems necessary in order to perform its responsibilities. The Committee shall periodically meet separately with: (i) the independent auditor; (ii) the Company's management and (iii) the Company's Vice President, Internal Auditing, or persons performing similar functions. The Committee and any subcommittee shall keep such records of its meetings as it may deem appropriate.

2. *Quorum.* The quorum for conducting the business of the Committee shall be a majority of the membership.

3. *Subcommittees.* The Committee may form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to pre-approve audit or non-audit services shall be reported to the full Committee at its next scheduled meeting.

4. *Reports to the Board.* The Committee shall regularly report a summary of its actions and the results of its reviews to the Board.

5. *Charter.* Annually, the Committee shall review and reassess the adequacy of this charter and recommend any proposed changes to the Board for approval.
